Product Description

Aluminum Alloy Electric Folding Bike with 36V 10.4Ah Battery

Product Description:

The Electric City Folding Bike is available in Gray & Black, making it a stylish and modern option for any rider. With its sleek design and high-quality construction, this bike is sure to impress even the most discerning cyclist. The bike features a 36V 350W Rear Hub Motor, which provides plenty of power for a smooth and comfortable ride. The motor is controlled by a speed sensor, which ensures that the bike responds quickly and smoothly to your movements.

The bike's front mono shock Zoom brand fork provides excellent shock absorption, making it easy to ride over bumps and rough terrain. With a maximum speed of 25km/h, this bike is perfect for city commuting and can easily keep up with traffic. Whether you are riding to work or just cruising around town, this bike is a great choice for anyone who wants to get around quickly and efficiently.

The Electric City Folding Bike is designed to be easy to use and convenient to carry. The bike can be folded up quickly and easily, making it easy to store and transport. The bike's compact size makes it perfect for those who live in apartments or who have limited storage space. The bike's lightweight construction makes it easy to carry, so you can take it with you wherever you go.

Overall, the Electric City Folding Bike is an excellent choice for anyone who wants to commute in style and comfort. With its stylish design, powerful motor, and convenient folding feature, this bike is perfect for anyone who wants to get around quickly and easily. So if you are looking for an Electric Folding Bike that is both stylish and functional, the Electric City Folding Bike is the perfect choice for you.

Applications:

The Hongtu EF-108 is equipped with Shimano External 7Speed gears that enable you to easily switch between speeds according to your terrain. With a maximum speed of 25km/h and a 36V 350W Rear Hub Motor, the Hongtu EF-108 is a perfect fit for your daily commuting needs. The Front Mono Shock Zoom Brand fork provides you with a smooth ride and ensures that you don't feel the bumps on your way. The Hongtu EF-108 comes with an LED Headlight that ensures your safety while you commute, especially during the night. The LCD Display helps you keep track of your speed, battery life, and distance covered. You can also charge your phone on the go with the USB Charging Port that comes with the Electric Folding Bicycle.

The Hongtu EF-108 is perfect for those who want to commute to work or college without having to worry about parking or traffic. The Folding Electric Bicycle can be easily folded and stored in a small space, making it easy to carry around. It can also be used for leisure activities like camping or exploring new trails.

So, whether you want to commute to work or explore new trails, the Hongtu EF-108 Folding Electric Bicycle is the perfect fit for you. Order now and enjoy the convenience of an Electric Folding Mountain Bike.
