Product Description

14KM/H 150W 2.5AH Kids Electric Scooter with 2-3H Charging Time 24V Battery

Product Description:

The Adjustable Handlebars make this Electric Scooter For Kids comfortable and easy to use for children of different heights. Your child can adjust the handlebars to their preferred height, ensuring a comfortable and safe ride. The handlebars are also easy to grip, making it easy for your child to control the scooter while riding.

The Tires on this Electric Powerful Scooter are 6.5-inch, providing a smooth ride on different surfaces. Your child can enjoy riding on the pavement, grass, or even dirt without any difficulties. These tires provide excellent traction, ensuring that your child can ride safely without slipping or sliding.

This Electric Stand Up Scooter has a Weight Capacity of 60 Kg, making it suitable for most children. The sturdy construction of this scooter ensures that it can withstand the weight of your child and provide a safe and enjoyable ride. You can be sure that your child will have a blast riding this Electric Scooter For Kids.

In conclusion, the Electric Powerful Scooter is a great Electric Scooter For Kids who love to ride around and have fun. The Adjustable Handlebars, Pink color, 6.5-inch Tires, and Weight Capacity of 60 Kg make this Electric Stand Up Scooter a must-have for any child who loves to ride. Order yours today and watch your child enjoy endless hours of fun and excitement!
