### Basic Information

- Place of Origin: China
- Brand Name: AMS
- Model Number: AMS-EOLE X
- Minimum Order Quantity: 10pcs
- Price: Negotiation
- Delivery Time: 15-20Days
- Payment Terms: T/T

### Product Specification

- Brake Type: Oil Hydraulic Brake
- Sensor: Speed Sensor
- Display: Topology Colorful LED
- Frame Material: Aluminium Alloy
- Deralleur: L-TWOO Outer 7 Speed 14-28T
- Net Weight: 20kg
- Motor: 36V 250W/350W high Speed high Speed, Cassette
- Controller: DMHC FOC
- Highlight: electric folding bike with cassette motor, topology led display folding bikes electric, electric folding bike with hydraulic brake

## Product Description

### Aluminum Electric Folding Bike With Topology LED Display Hydraulic Brake 36V 250W Cassette Motor

#### Product Description:

The Folding Electric Bike comes in a stylish blue color that is sure to turn heads. The aluminum alloy frame is both durable and lightweight, making it easy to maneuver through crowded streets and narrow pathways. The bike is equipped with a DMHC FOC controller that provides smooth and efficient power output.

The Topology Colorful LED display is easy to read and provides you with all the information you need to know about your ride. You can easily switch between various modes and adjust the speed and power output to your liking. Whether you're commuting to work or taking a leisurely ride, this bike is perfect for any occasion.

One of the best features of this Folding Electric Bicycle is its ability to fold up for easy storage and transportation. You can easily take it with you on the train or bus, and store it in your apartment or office without taking up too much space. The folding mechanism is easy to use and allows you to quickly fold and unfold the bike in just a few seconds.

Overall, the Folding Electric Bicycle is an excellent choice for anyone looking for a convenient, efficient, and stylish mode of transportation. With its lightweight frame, powerful motor, and easy-to-use folding mechanism, this bike is sure to become your go-to choice for commuting and leisure rides. Order yours today and experience the ultimate in electric bike technology!

#### Applications:

As a Folding Travel Bike, this electric bike is designed with portability in mind. Its folding mechanism allows it to easily fit in the trunk of your car or under your desk at work. Whether you're commuting to work, running errands, or exploring a new city, the AMS-EOLES X Electric Folding Bike is the perfect companion.

As a Folding Electric Bike, the AMS-EOLES X is powered by a 36V 250W/350W high-speed motor, providing you with the speed and power you need to tackle any terrain. The bike's L-TWOO Outer 7 Speed 14-28T derailleur allows you to adjust your speed and ride comfortably, while the anti-puncture, 20\*2.2 tires with reflective stripe ensure a safe ride in any lighting conditions.

The AMS-EOLES X Electric Folding Bike is made with a durable aluminium alloy frame, making it lightweight and easy to maneuver. With a net weight of only 20kg, you can easily carry it up and down stairs or load it into your car.

Whether you're a daily commuter, weekend adventurer, or simply looking for a fun and eco-friendly way to get around town, the AMS-EOLES X Electric Folding Bike is the perfect choice. With a minimum order quantity of 10 pcs and delivery time of 40-50 days, you can be sure to have your bike in time for your next adventure.

#### Customization:

Looking for the perfect Electric City Folding Bike? Look no further than the AMS-EOLES X from AMS. This Folding Travel Bike is made in China and comes with a minimum order quantity of 10 pcs. With a delivery time of 40-50 days, you'll be able to get your hands on this Electric Folding Bike in no time.

The AMS-EOLES X comes with a 36V 7.8Ah battery capacity and oil hydraulic brake type. The speed sensor helps you maintain your speed and the L-TWOO Outer 7 Speed 14-28T derailleur allows you to easily switch gears. And with its stylish blue color, you'll be sure to turn heads while riding your Folding Travel Bike.

#### Packing and Shipping:

##### Product Packaging:

The Electric Folding Bike will be carefully packed in a sturdy cardboard box to ensure its safe delivery. The bike will be disassembled and wrapped with protective materials to prevent any damage during transportation. The package will also include a user manual and all necessary tools to assemble the bike.

##### Shipping:

The Electric Folding Bike will be shipped via a reliable courier service such as UPS or FedEx. Shipping will take approximately 5-7 business days depending on the destination. A tracking number will be provided as soon as the product is shipped so that customers can monitor the delivery status.
