This Custom Electric Bike is an Electric Powered Bike designed for City Commuter Electric Bike purposes. Its Retro style, comfortable leather seat, and 7-speed Shimano gears make it a perfect choice for commuting in style. With a charging time of 6-7 hours, the bike can cover a range of 60-70KM with its 48V 250W motor and 48V 13Ah battery. The bike's aluminum alloy frame and orange color add to its overall appeal.

Applications:

The KDF-GO TIME 801 is ideal for city commuter electric bike riders who want a stylish and unique mode of transportation. With a maximum speed of 25 km/h, this bike is perfect for urban areas with speed limits. The LCD display shows the rider the speed, battery life, and distance traveled, allowing them to keep track of their ride.

The 48V 250W motor provides ample power to the KDF-GO TIME 801, making it easy to navigate through city streets. The hydraulic disc brakes ensure reliable stopping power, making it a safe choice for riders.

The retro style of the KDF-GO TIME 801 makes it a fashionable choice for those who love vintage bike design. The bike's unique style is sure to turn heads and make a statement on the road. It is perfect for riders who want to stand out from the crowd and make a statement with their mode of transportation.

The KDF-GO TIME 801 is suitable for a variety of occasions and scenarios. It is perfect for commuting to work or school, running errands around town, or simply enjoying a leisurely ride on the weekend. With its retro style and modern technology, this electric bike is a versatile choice for any rider.

Customization:

With a minimum order quantity of 10 pcs, you can personalize your electric bike to your liking. Choose your preferred color, add a basket or a bell, or even customize the frame with your company logo. Our delivery time is 40-50 days, so you can be sure your custom electric bike will arrive in perfect condition.
