Product Description

KDF-GO TIME 800 Retro Style Green Electric Bike With 48V 500W Motor Comfortable Leather Seat 48V 15Ah Battery

Product Description:

The Retro Style Electric Bike comes in a stunning Green color, making it stand out in a sea of boring bikes. The 20-inch*4.0 tires provide a smooth and comfortable ride, while the Retro style adds a touch of vintage charm to your daily commute.

With a range of 70-80 KM, this City Commuter Electric Bike is perfect for those who need to travel a little further than the average bike ride. The powerful 48V 500W motor allows you to effortlessly cruise up hills and tackle tough terrain, while the electric assist function means you can take a break from pedaling when you need it.

Not only is the Retro Style Electric Bike a great way to get around, it is also an environmentally responsible choice. By choosing an Electric Two Wheeler Bike over a gas-powered vehicle, you are helping to reduce your carbon footprint and protect the planet.

So why not upgrade your ride with our Retro Style Electric Bike today? You'll be able to zip around town with ease, all while making a positive impact on the environment.
