Product Description

Gray Unisex Road Bike with Alloy Pedal and Forge Stem Road Saddle Type Stainless Steel Spokes

Product Description:

One of the standout features of the Rode Bicycle is its KMC X9 chain. This is a high-quality chain that is designed to provide smooth, reliable shifting and maximum durability, so you can be confident that your bike will perform at its best every time you ride.

The PROWHEEL 34*50T crankset is another key component of the Rode Bicycle. This crankset is designed to deliver efficient power transfer, allowing you to ride faster and more comfortably. The result is a bike that is perfect for everything from long-distance touring to fast-paced racing.

The Rode Bicycle also features high-quality alloy pedals that provide excellent grip and control, even in wet or slippery conditions. These pedals are designed to last, so you can be sure that your bike will continue to perform at its best for years to come.

Stainless steel spokes are another important feature of the Rode Bicycle. These spokes are designed to provide excellent strength and durability, so you can be confident that your bike will be able to handle even the toughest rides. Whether you're riding on smooth roads or rugged trails, the Rode Bicycle is up to the task.

Finally, the Rode Bicycle features a Forge Alloy stem. This stem is designed to provide excellent stability and control, so you can ride with confidence no matter where your adventures take you. With its combination of high-quality components and top-notch design, the Rode Bicycle is the perfect choice for any Rode Biker who wants a bike that can handle anything.

Applications:

Whether you're an experienced cyclist or a beginner, the HL-VELOCE is an excellent choice for anyone looking for a reliable and high-quality Rode Bike. It is also a great option for those who enjoy commuting to work or school on a bike, as its lightweight design and comfortable seat make it easy and enjoyable to ride for extended periods of time.

The HL-VELOCE is proudly made in China and can be purchased in white, making it a stylish addition to any cycling enthusiast's collection. With a minimum order quantity of 10 pcs and a delivery time of 40-50 days, this Rode Bike is perfect for retailers looking to stock their stores with high-quality and reliable bicycles.

Overall, the HL-VELOCE is a great choice for anyone looking for a comfortable, durable, and stylish Rode Bicycle. Whether you're looking to explore the great outdoors or commute to work, this bike is sure to exceed your expectations and provide you with a smooth and enjoyable ride.

Customization:

Packing and Shipping:

Product Packaging:

The Rode Bike product will be packaged securely in a cardboard box with foam inserts to ensure that it arrives in pristine condition. The bike will be partially disassembled and wrapped in protective materials to prevent any scratches or damage during transportation.

Assembly instructions will be included in the package to make it easy for the customer to assemble the bike upon delivery.

Shipping:

The Rode Bike product will be shipped via a reliable courier service to ensure that it reaches the customer's doorstep in a timely and secure manner. A tracking number will be provided to the customer so that they can track the progress of their shipment. Shipping fees will be calculated based on the customer's location and added to the total cost of the product at checkout.
