Product Description

KDF-HORKE Compact Green Electric Folding Bike with 36V 10.4Ah Battery 25 KM/H Max Speed and Shimano 7 Speed

Product Description:

The Electric Folding Bike is designed to be compact and easy to store. Its folding feature allows you to conveniently store it in your car trunk, closet, or any small space. This feature makes it perfect for city dwellers who have limited space in their apartments or commute to work via public transportation.

With a battery capacity of 36V 10.4Ah, you can travel up to 70km on a single charge. The charging time for the battery is only 5-6 hours, making it a quick and easy recharge. This Electric Folding Mountain Bike is perfect for those who love outdoor adventures but want to reduce their carbon footprint.

This Folding Electric Bike is equipped with a comfortable saddle and adjustable handlebars, making it suitable for riders of all heights. Its durable frame and high-quality components make it a reliable choice for daily commuting and weekend adventures.

Overall, the Electric Folding Bike is the perfect solution for those who want a convenient and eco-friendly mode of transportation. Its folding feature, powerful motor, and long-lasting battery make it an excellent choice for urban commuting and outdoor adventures.

Applications:

One of the key benefits of the KDF-HORKE Electric Folding Bike is its LCD display, which provides real-time information about speed, battery life, and other important metrics. This makes it easy to keep track of your ride and ensure that you are always aware of your surroundings.

Whether you are looking for a reliable and efficient mode of transportation for your daily commute or a fun and exhilarating way to explore the great outdoors, the KDF-HORKE Electric Folding Bike is the perfect choice. With a powerful 36V 250W motor, this bike can easily reach speeds of up to 25 KM/H, allowing you to quickly and easily navigate through traffic or tackle challenging mountain trails.

Thanks to its lightweight and compact design, the KDF-HORKE Electric Folding Bike is easy to store and transport, making it ideal for a wide range of applications and scenarios. Whether you are looking for a convenient way to get around town, a fun way to explore new trails and terrain, or a reliable mode of transportation for your daily commute, the KDF-HORKE Electric Folding Bike is the perfect choice. So if you are looking for a high-quality and versatile electric folding mountain bike that is built to last, look no further than the KDF-HORKE Electric Folding Bike. With a minimum order quantity of just 10 pcs and a delivery time of 40-50 days, this bike is the perfect choice for individuals and businesses alike.

Customization:

Customize your KDF Electric City Folding Bike with our product customization services.
