Product Description

CDC Comfortable Saddle Electric Folding Bike with Shimano 7 Speed Deralleur and 2-3 H Charging Time

Product Description:

One of the key features of this bike is its electric motor, which allows you to easily reach a maximum speed of 25 KM/H, making it perfect for both city and mountain riding. The motor is powered by a rechargeable battery, which takes only 2-3 hours to fully charge, ensuring that you can always get to where you need to go quickly and efficiently.

The Electric Folding Bike also comes equipped with a Shimano 7-speed derailleur, which provides smooth and precise shifting, allowing you to easily tackle any terrain. Whether you're cruising along flat roads or climbing steep hills, this bike can handle it all with ease.

Another great feature of the Electric Folding Bike is its folding design, which allows you to easily store and transport it when not in use.

This makes it perfect for anyone who has limited storage space or needs to take their bike with them on public transportation. The folding mechanism is simple and easy to use, allowing you to quickly and easily fold and unfold the bike in seconds.

Overall, the Electric Folding Bike is a fantastic choice for anyone looking for an efficient, eco-friendly and convenient way to get around.

Whether you're commuting to work, running errands around town or exploring the great outdoors, this bike has everything you need to enjoy a comfortable and enjoyable ride. So why wait? Order your Electric Folding Bike today and start enjoying the freedom and convenience that it has to offer!
