#### Applications:

One of the standout features of this helmet is the reflective stickers that are placed on the helmet's surface. These stickers make the rider more visible to other motorists at night or low light conditions, making it safer for the rider to ride on the road.

The WX-036 Cycling Helmet is perfect for various biking occasions and scenarios. Whether it be riding on the road, cycling in the park, or mountain biking, this helmet provides the necessary protection and comfort to the rider.

As a brand from China, we take pride in the quality of our products. The minimum order quantity for this product is 50 pcs, and the delivery time is 40-50 days, ensuring that our customers get the best product possible.

The WX-036 Cycling Helmet is an essential item for any cyclist who takes their safety seriously. As an intelligent bike helmet, it is designed to keep the rider safe while providing maximum comfort. So if you're looking for a helmet for cycling that is both durable and stylish, the WX-036 is the perfect choice for you.
