## Product Description

### Ergonomic Rubber Cycling Handlebars Blue/Purple Grips for Road Bikes 127mm Drop

#### Product Description:

With a drop of 127mm, these handlebars provide ample space for a variety of hand positions, making them ideal for long rides or cycling medals. And with their durable rubber construction, you can be sure that these bike handlebars will last for many miles to come.

#### Technical Parameters:

Shape	Ergonomic
Grip Material	Rubber
Compatibility	Road Bikes
Color	Blue/Purple
Material	Rubber
Drop	127mm
Size	21mm

#### Applications:

One of the standout features of this handlebar is its ergonomic shape, which is designed to provide a comfortable grip for long rides. Measuring 21mm in size, this handlebar is suitable for a variety of different riders and is sure to fit comfortably in your hands. And with its blue and purple color scheme, it's sure to make a stylish addition to any bike.

The grip material used on this handlebar is rubber, which provides a secure and slip-resistant grip. This is especially important for cyclists who are riding in wet or humid conditions, as it helps to prevent accidents and keep you safe on the road.

So what are some of the occasions and scenarios where you might want to use this handlebar? Here are just a few:

Long-distance rides: If you're planning a long ride on your road bike, you'll want a handlebar that provides a comfortable grip. The ergonomic shape of this handlebar is designed to reduce fatigue and provide support for your hands and wrists.

Commuting: If you're a regular bike commuter, you'll appreciate the slip-resistant grip of this handlebar, which helps to keep you safe on wet or slippery roads.

Racing: Whether you're a serious cyclist or just enjoy participating in local races, this handlebar is a great choice for its comfortable grip and stylish design.

Casual rides: Even if you just enjoy taking your bike out for a leisurely ride around the neighborhood, this handlebar is a great choice for its comfort and style.

Overall, AFT's model number 38100-03/04 is a great choice for anyone looking for a reliable Bar for Bike. With its ergonomic shape, slip-resistant grip, and stylish design, it's sure to be a great addition to your bike and provide you with a comfortable and safe ride.

#### Customization:

Choose from our Blue/Purple color options to make your cycling medals stand out! Our handlebars are compatible with road bikes and are made in China. The minimum order quantity is 50 pcs, and delivery time is 40-50 days.
