Product Description

Product Description:

Equipped with a Suspension Fork, the Metro Power-Assisted Bike provides a smooth and comfortable ride, even on bumpy city streets. The Lithium-ion Battery ensures a reliable and long-lasting power source, with a range of 60-80 Km per charge. Charging time is quick and easy, taking 6-7 hours to fully charge the battery.

The Velo Comfortable Saddle is designed for maximum comfort during long rides. Whether you're commuting to work or enjoying a leisurely ride through the city, the Metro Power-Assisted Bike will keep you comfortable and relaxed throughout your journey.

With its powerful motor and reliable battery, the Civic Electric Bike is perfect for tackling hills and headwinds. Say goodbye to sweaty commutes and hello to an easy and enjoyable ride. Whether you're a seasoned cyclist or just starting out, the Metro Power-Assisted Bike is the perfect way to get around the city.

Technical Parameters:

Battery Capacity	48V 13Ah
Tires	27.5*2.4
Battery	Lithium-ion
Display	LCD Display
Fork	Suspension Fork
Max Speed	25 Km/h
Type	Electric Bike
Model	City Ebike
Charging Time	6-7H
Frame Material	Aluminum Alloy

Applications:

The KDF-GO CITY 800 is an ideal choice for people who are looking for an efficient and cost-effective mode of transportation for their daily commute. With a powerful 48V 250W motor, this Urban Motorized Bicycle can reach a top speed of 25km/h, making it perfect for short to medium distance travels.

The KDF-GO CITY 800 is also equipped with a suspension fork, which helps absorb shocks and vibrations from the road, ensuring a smooth and comfortable ride. The bike's battery can be fully charged in 6-7 hours, allowing you to use it for up to 50km on a single charge.

Whether you're commuting to work, running errands, or simply exploring the city, the KDF-GO CITY 800 is a great choice. Its lightweight and compact design make it easy to maneuver through traffic, while its electric motor ensures that you won't get tired or sweaty during your ride.

The KDF-GO CITY 800 is perfect for a wide range of occasions and scenarios, including:

Commuting to work

Running errands

Exploring the city

Going to school

Visiting friends and family

The KDF-GO CITY 800 is also a great option for businesses and organizations that want to promote eco-friendly transportation options for their employees or customers. With a minimum order quantity of 10 pcs and a delivery time of 40-50 days, the KDF-GO CITY 800 is a cost-effective and reliable solution for any organization.

In conclusion, the KDF-GO CITY 800 is a high-quality and versatile Urban Motorized Bicycle that can be used for a wide range of occasions and scenarios. Whether you're commuting to work, running errands, or simply exploring the city, this Civic Electric Bike is a great choice.
