Product Description

HLX-SX1628 Colorful Kids Motorcycle with Optional Light Speed Gear Selection and Sound Effects

Product Description:

The Kids Motorcycle is powered by sounds that make it sound and feel like a real motorcycle. The realistic sounds will make your little one feel like they are on a real motorbike, giving them the ultimate riding experience.

The net weight of the Kids Motorcycle is 14KG, making it light enough for your child to handle comfortably. With a weight limit of 30KG, your child will be able to enjoy the Kids Motorcycle for years to come.

The Kids Motorcycle has two wheels, making it the perfect balance between stability and mobility. Your child will feel like a true biker as they cruise around on their very own motorcycle.

Overall, the Kids Motorcycle is the perfect gift for any young child who dreams of being a biker. With its realistic sounds, safety features, and lightweight design, your child will be able to ride with confidence and style. Get your little one on the road to adventure with the Kids Motorcycle today!
