Product Description

HLX-SX1629 250W Kids Motorcycle Handlebar Accelerator Red/Orange/White/Blue with MP3 Player Sounds

Product Description:

The Junior Dirt Bike features two wheels, making it easy for your child to balance and ride. It also comes with training wheels, ensuring that your child stays safe while they learn to ride. These wheels can be easily removed as your child gains confidence and skill, allowing them to ride like a pro in no time.

But that's not all - the Junior Dirt Bike also comes equipped with an MP3 player, so your child can listen to their favorite music while they ride. They'll feel like a true adventurer as they cruise around listening to their tunes.

With a maximum speed of 13 Km/h, the Junior Dirt Bike is fast enough to be exciting, but not so fast that it's dangerous. Your child will feel the wind in their hair as they explore the great outdoors on their new child motorcycle.

So if you're looking for a safe and exciting way to get your child outside and active, look no further than the Junior Dirt Bike. With its two wheels, training wheels, MP3 player, and maximum speed of 13 Km/h, it's the perfect youth cruiser for your little adventurer.
