Product Description

OBK-CB990 Black/Blue Carbon Fiber Mountain Bike With Stiffness And SHIMANO 27-30 Speeds

Product Description:

This bike is designed with a Carbon Road Bike Frame that provides exceptional stiffness and strength, making it ideal for riders who want a bike that can handle tough terrain and challenging conditions. The frame is precision-engineered to ensure the highest level of performance, and it is designed to provide a smooth and comfortable ride, even on the most demanding trails.

In addition to its impressive frame, this bike is equipped with a range of features that make it one of the best Carbon Fiber Road Bikes on the market. It features a hydraulic disc brake system that provides exceptional stopping power, allowing riders to maintain control and stay safe on even the steepest descents. The bike is also designed with full suspension, which helps to absorb shocks and bumps, providing a smooth and comfortable ride.

The bike's size is 138*20*74cm, making it the perfect size for riders of all heights. Whether you're a seasoned pro or a beginner, this bike is designed to provide the perfect fit and the best possible riding experience.

If you're looking for a bike that offers exceptional performance, durability, and style, look no further than the Carbon Fiber Full Suspension Mountain Bike. With its high-quality Carbon Fiber construction, lightweight design, and impressive features, this bike is the perfect choice for riders who demand the best.

Applications:

Carbon Gravel Road Bike: The OBK-CB990 is perfect for gravel road biking. Its carbon fiber frame provides excellent shock absorption and stability, and its 26*2.1 tires ensure a smooth ride. Whether you're racing or just taking a leisurely ride, this bike is sure to impress.

Carbon Fiber Full Suspension Mountain Bike: For those who enjoy mountain biking, the OBK-CB990 is an excellent choice. Its full suspension system ensures a comfortable ride on even the roughest trails, and its carbon fiber frame is lightweight yet durable. You can rely on this bike to take you to the top of the mountain and back down again.

Carbon Fiber Mountain Bike: If you're looking for a high-performance mountain bike, the OBK-CB990 is an excellent choice. Its SHIMANO 27-30 speed system allows you to easily navigate even the steepest inclines, and its carbon fiber frame provides the stability and durability you need to tackle any trail.

The OBK-CB990 is available for purchase with a minimum order quantity of 10 pieces, and delivery time is typically 40-50 days. This bike is made with high-quality carbon fiber materials, ensuring that it will last for years to come. Whether you're a professional cyclist or just looking for a reliable mode of transportation, the OBK-CB990 is an excellent choice.

Customization:

Made from premium Carbon Fiber Material, our Carbon Gravel Road Bike is durable, lightweight, and designed to perform at the highest level. With a sleek black and blue color scheme, our OBK-CB990 is as stylish as it is functional, making it the perfect choice for serious cyclists and weekend riders alike.

Don't settle for a one-size-fits-all bike that doesn't meet your needs. Instead, choose OBK and take advantage of our Product Customization Services. With a minimum order quantity of just 10 pcs and a delivery time of 40-50 days, we can create a Carbon Fiber Bicycle that's tailored to your specific requirements.

Whether you're looking for a bike with a specific frame size, tire type, or color, we can help. Contact us today to learn more about our Carbon Fiber Bicycle customization options and take the first step towards owning the bike of your dreams.
