OBK-X3

Product Description

OBK-X3 Steel Frame Disc Brake Mountain Bike with Comfort Seat Shimano 21-Speed Red/Blue Tires

Product Description:

The bike is equipped with a disc brake, ensuring maximum stopping power and safety, especially during steep descents. You can rest assured that you're in good hands even in the most challenging mountain biking conditions.

Our Mountain Bike has a comfortable seat type, ensuring that you'll enjoy your ride without feeling any discomfort. The seat is designed to provide excellent support for your back, even during long hours of biking. It's perfect for anyone looking for an enjoyable and comfortable mountain biking experience.

Our Mountain Bike comes in two exciting colors - red and blue. You can choose the color that suits your style and personality. Both colors are vibrant and eye-catching, making them the perfect accessory to your mountain biking gear.

This bike is recommended for mountain biking enthusiasts. It's perfect for anyone looking for an adventure on rough terrain while enjoying the fresh air and beautiful scenery. It's also perfect for anyone looking to stay fit and healthy while having fun.

Our Mountain Bike is not an electric bike. However, it is designed to keep up with the latest trends in the biking industry. If you're looking for an electric bike, we have other products available in our store to suit your needs.

The bike is not equipped with a carbon mountain bike fork, but it is built to handle any rough terrain that you may encounter while mountain biking. If you're looking for a carbon mountain bike fork, we have other products available in our store to suit your needs.

We also have an electric folding mountain bike available in our store. This bike is perfect for anyone who wants to enjoy the benefits of an electric bike while still being able to fold it and take it anywhere they want. It's perfect for anyone who wants to save space and still enjoy the benefits of an electric bike.

Overall, our Mountain Bike is an excellent choice for anyone looking for a reliable, durable, and comfortable bike for their mountain biking adventures. It's perfect for anyone who wants to enjoy the great outdoors while staying fit and healthy. Visit our store now and get your hands on our Mountain Bike today!

Technical Parameters:

Brake Type	Disc Brake
Frame	Steel
Tires	26*1.95
Color	Red/Blue
Recommended Use	Mountain Biking
Speed	Shimano 21
Size	143*20*76cm

Applications:

The OBK-X3 mountain bike is available in two colors: red and blue. The bike features disc brakes, which provide excellent stopping power and control. This makes it perfect for aggressive riding, as well as for those who want to take on challenging trails.

The OBK-X3 mountain bike is recommended for mountain biking enthusiasts who want a high-quality, reliable bike that can handle even the toughest terrain. It is perfect for those who enjoy off-road riding and want a bike that can keep up with their adventurous spirit.

In addition to its standard features, the OBK-X3 mountain bike can also be used with an electric mountain bike conversion kit. This allows riders to easily convert their bike into an electric mountain bike, making it perfect for those who want to take their riding experience to the next level.

For those who want even more convenience, the OBK-X3 mountain bike is also available as a folding electric mountain bike. This makes it easy to transport and store, making it perfect for those who want to take their bike on the go.

In summary, the OBK-X3 mountain bike is a versatile, high-performance bike that is perfect for off-road use. With its durable steel frame, Shimano 21-speed system, and disc brakes, it can handle even the toughest terrain. It is recommended for mountain biking enthusiasts who want a reliable and high-quality bike that can keep up with their adventurous spirit. Additionally, with the option to use an electric mountain bike conversion kit or to purchase a folding electric mountain bike, the OBK-X3 mountain bike offers even more versatility and convenience.
