Applications:

The OBK-G7-MAG mountain bike is perfect for people who love adventure and want to explore mountainous regions. It is very comfortable to ride and has a comfortable seat that can be adjusted according to the rider's height. The bike is equipped with 26*1.95 tires that provide excellent grip and stability on rough terrains. The Disc Brake system ensures that the bike can come to a stop quickly and easily, making it ideal for mountain biking.

The OBK-G7-MAG mountain bike is also foldable, which makes it perfect for people who have limited storage space. It can be easily folded and stored in a small space when not in use. The bike is made of steel, which makes it very durable and sturdy. It is designed to withstand the rigors of mountain biking and can last for many years.

The OBK-G7-MAG mountain bike is perfect for people who want to explore the outdoors but don't want to get exhausted. It is an electric folding mountain bike that makes it very easy to ride. The electric motor provides additional power, making it easier to climb steep hills and rough terrains. This bike is ideal for people who want to enjoy the outdoors without getting too tired.

Overall, the OBK-G7-MAG mountain bike is a great product for people who love adventure and want to explore the outdoors. It is very comfortable to ride, durable, and sturdy. The electric motor provides additional power, making it easier to ride on rough terrains. The foldable design makes it perfect for people who have limited storage space. The minimum order quantity for this product is 10 pcs, and the delivery time is 40-50 days.

Customization:
