## Product Description

### XJ-Bike2Share II premium NX3 Adjustable Lever PU Saddle Blue Sharing Bike with Rear Solar Light

#### Product Description:

**Speed** - Equipped with the SHIMANO NEXUS Inner 3 Speed system, this bike is built for speed and efficiency. Whether you're cruising through the city or pedaling along the countryside, this bike's advanced gear system makes every ride smooth and effortless.

**Tire** - The 26\*1.5 tire size of this bike provides the perfect balance between speed and stability. The tires are designed to handle a wide range of terrain and provide excellent traction, even on wet roads.

**Color** - This bike comes in a stylish blue color that is sure to turn heads. Whether you're riding through the city or cruising along the beach, this bike is sure to stand out.

**Weight** - Weighing in at just 22 kg, this bike is the perfect choice for those who need a lightweight and easy-to-manage bike. Whether you're carrying it up stairs or storing it in a small space, this bike's lightweight design makes it easy to handle.

**Saddle** - The bike's saddle is made of high-quality PU material, providing a comfortable and supportive seat for long rides. Whether you're commuting to work or going on a leisurely ride, this bike's saddle will keep you comfortable and relaxed.

#### Technical Parameters:
