## Product Description

### 1500W Motor Power EEC Certificate 45 KM/H Urban E-Soccter With Rear Trunk

#### Product Description:

Unleash the power of the CL-2W-2 Scooter, a game-changer in electric mobility. This cutting-edge scooter combines a 1500W motor with dual 60V 28Ah lithium batteries to deliver a thrilling top speed of 45km/h and an astounding range of up to 140km. Whether you're cruising through city streets or exploring new paths, the CL-2W-2 keeps you moving with style and efficiency.

Navigate with confidence thanks to advanced front and rear disc brakes that offer impeccable stopping power. The robust 110/60-12 tires and a 1270 mm wheelbase provide exceptional stability and a smooth ride, ensuring comfort on any terrain.

Designed with practicality in mind, the CL-2W-2 arrives packed in a sturdy iron frame and carton, with a convenient rear box (620×560×700 mm) for additional storage. The scooter's overall packaging size of 1670×580×850 mm ensures it reaches you safely and ready to go.

Certified by EEC, the CL-2W-2 sets a new standard for electric scooters, blending top-notch performance with sleek design. Elevate your journey with the CL-2W-2 and experience a ride that's as powerful as it is innovative.
