

Red Plus Two 72V 40Ah Lithium Battery 80Km/H High Speed CBS Brake City Ebike

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SG
- Certification: EEC: L3e-A1
- Model Number: SG-EGO-01-plus
- Minimum Order Quantity: 78pcs
- Price: Negotiation
- Packaging Details: 40"HQ-78pcs, 20"GP-26pcs
- Payment Terms: T/T

Product Specification

- Max Speed: 80 Km/h
- Certification: EEC: L3e-A1
- Max Range: 80-90km
- Brake: CBS
- Battery: 72V 40Ah Lithium Battery
- Color: Red
- Motor Power: 3000 W
- Charging Time: 6-8h
- Highlight: High Speed City Ebike, 80Km/H City Ebike, 40Ah City Ebike

Product Description

Red Plus Two 72V 40Ah Lithium Battery 80Km/H High Speed CBS Brake City Ebike

Product Description:

Unleash the thrill of the SG-EGO-01-Plus, an electric scooter that sets a new standard in high-performance urban travel. Equipped with a formidable 3000W motor, this powerhouse accelerates up to 80 km/h, propelling you through the city with exhilarating speed. Choose between the robust 72V32AH lead-acid battery or the cutting-edge dual 72V40AH lithium batteries for an impressive range of 40-45 km with lead-acid, or go further with 80-90 km on lithium.

The SG-EGO-01-Plus isn't just about speed; it's about a superior ride experience. Glide effortlessly over city streets with the advanced hydraulic front fork, while the CBS (Combined Braking System) ensures you stop smoothly and securely. The 90/80-12 inch tires provide excellent traction, and the LED light guarantees you'll always be seen, day or night.

Built for the bold, this scooter features a robust frame measuring 1865mm x 685mm x 1100mm and supports up to 250 kg, accommodating all your needs with ease. It's designed with practicality in mind, including a reverse function for effortless parking and a rear-view mirror for enhanced awareness. The 18 mosfets controller ensures a ride that's both powerful and precise.

Enjoy quick and easy charging in just 6-8 hours, and for those craving even more performance, an optional 72V20AH lithium battery is available. The SG-EGO-01-Plus isn't just a mode of transportation—it's a revolutionary ride that transforms your daily commute into an exciting journey.

Technical Parameters:

Product Attribute	Value
Product Name	City E-bike
Max Speed	80Km/h
Battery	Two 72V 40Ah Lithium Battery (Optional : 72V 32Ah Lead acid)
Motor power	3000 W
Max rated load	250 KG
Tire size	F/R 90/80-12inch
Front fork	Hydraulic
Light	LED
Brakes	CBS
Max range per charger	80-90km
Controller	18 mosfets

Applications:

The SG-EGO-01-Plus is engineered for enhanced performance and practicality. Featuring a powerful 2000W motor and a 72V20AH lead-acid battery, it achieves a top speed of 45 km/h and covers a range of 40-60 km on a single charge. Its dimensions of 1865mm x 685mm x 1100mm and maximum load capacity of 250 kg make it suitable for both cargo and passenger transport.

This model is equipped with a hydraulic front fork and a combination of front disc and rear drum brakes, ensuring smooth and reliable braking. The 90/80-12 inch tires provide excellent grip and stability. For added convenience, it includes LED lights, a reverse function, and rear-view mirrors.

Charging takes between 6-8 hours, and there's an option to upgrade to a 72V20AH lithium battery for extended range and efficiency. The SG-EGO-01-Plus is designed to meet demanding performance needs while offering versatility for various uses.

Customization:

Looking for a high-performance electric scooter with exceptional features? Explore Hongtu's SG-EGO-01-Plus. Manufactured in China, the SG-EGO-01-Plus is powered by a robust 3000W motor and offers flexible battery options: a 72V 32AH lead-acid battery or dual 72V 40AH lithium batteries. Achieve speeds up to 80 km/h and enjoy a range of 40-45 km with lead-acid or 80-90 km with lithium batteries. The scooter is designed for durability, with a maximum load capacity of 250 kg and 90/80-12 inch tires. It includes a CBS braking system, hydraulic front fork, LED lights, a reverse function, and rear-view mirrors for added convenience.

Minimum order quantity is 10 units, with a delivery time of 40-50 days. Contact us to customize the SG-EGO-01-Plus to meet your specific needs.
