## Product Description

### Four big 450MM EVA Tires 12V 10Ah \*2 battery kid E-sport for outdoor adventure

#### Product Description:

The HLX-SX2139 electric ride-on car offers young drivers aged 3 to 8 an exciting and dynamic experience, with dual 12V 10Ah batteries and powerful four-motor configuration. Equipped with four large 450mm EVA tires, this car provides superior stability and durability, perfect for various terrains. With a smooth start feature and high/low-speed settings, the HLX-SX2139 ensures both safety and thrill, reaching speeds between 3-8 km/h.

Starting the car is effortless with a one-button ignition, and parents will appreciate the ease of removing the battery for direct charging. The car supports up to 60 kg and comfortably accommodates two seats, making it great for shared fun. The MP3 player, complete with USB and TF slots, allows kids to enjoy music on their adventures, while the built-in horn adds to the interactive driving experience.

Available in Red, Black, White, and Pink, the HLX-SX2139 combines style with practical features, ensuring a memorable and enjoyable ride for children.

#### Technical Parameters:

Kid Mini Car	Childrens Electric Ride On Cars

#### Applications:

The HLX-SX2139 electric kids car is crafted to offer a robust and thrilling driving experience for children aged 3 to 8. This ride-on car is powered by dual 12V 10Ah batteries and four motors, with a setup of two 24V 550# motors in the front and two 24V 750 motors in the rear. This configuration ensures powerful and efficient performance, enhancing the driving experience with smooth acceleration and reliable power.

The car features four large 450mm EVA tires, which provide excellent stability and traction, making it suitable for various terrains. The MP3 player, complete with USB and TF slots, allows kids to enjoy their favorite tunes while driving, adding to the overall fun.

A convenient one-button start feature simplifies operation, while the high/low-speed settings and slow start function ensure safe and controlled driving. The battery is easily removable, making charging straightforward and hassle-free.

Available in red, black, white, and pink, this model supports a maximum load of 60 kg and is designed to accommodate two seats, making it ideal for sharing the fun. The inclusion of a horn and MP3 player further enhances the driving experience, ensuring that the HLX-SX2139 provides both excitement and practicality for young adventurers.
