Product Description

Product Description

Experience urban cycling like never before with the LEE661 Electric City Bike. Built from robust 6061 aluminum alloy, this bike features a comfortable suspension fork with a lockout for smooth rides over varied terrain. The powerful 500W Bafang rear hub motor ensures effortless acceleration, while the Tektro hydraulic disc brakes provide reliable stopping power. With a 36V 20Ah Samsung lithium-ion battery, ride longer distances of up to 60 km on a single charge. The Shimano Rapid Fire Plus 7-speed gear system allows for seamless shifting, making this bike perfect for city adventures.
